Theme: Getting Acquainted

Introduction: None

Song of the Week

“We like to come to School”

We like to come to school; we like to come to school.
School is such a happy place, we like to come to school!

Language

This week Miss Emma will be teaching the children a few of her favorite songs and fingerplays. Some stories will be read and the flannel board will be brought out. The children will get a chance to play with our classroom puppets too!

Motor

This week Miss Amanda and the children will be playing Simon Says to see which body parts they know. We will be going outside too as long as the weather permits it.

Concept

Miss Emma will be introducing the “Concept” time to the class. She will introduce “rug mats” for the children to sit on and the proper way to “work on” concept jobs. The days of the week and the months of the year will be done every week as will the weather.

Craft and Writing

This week Miss Amanda will have the children coloring, painting and playing with play doh. A collage of an apple will be made and we will be using bingo dotters!

Have a great first week!

Miss Amanda & Miss Emma
