## NOTES

Theme:  
"All About Me"

Story #1 and 2

Story #1 "Taffy Apple"

Story words- Run/run,  
Jump/jump, Taffy, Apple

Fable:

The Boy Who Cried Wolf"

This week we will start  
working on evaluation papers.  
This will be done several times  
a year. These papers will be  
saved to show you how much  
your child is improving.

## WHAT WE ARE LEARNING

Language Arts: Our first story, "Taffy Apple", will be introduced. When the children can read the story successfully themselves they will bring home the story to you. We will also play a phonic game using letters A-D, to reinforce the sounds the letters make.

We will be learning about Fables. Our Fables always have a moral to the story that will be discussed. This week's Fable, "The Boy who cried Wolf", will teach us why it's important to tell the truth.

Concept: Every day the children will go to the shelves and get a job to work on. Our science shelf will start to look like Fall. We are learning our rules and how to work independently. This week we will work on color words, measuring, estimation,, and rote counting.

Craft and Writing: Name printing papers will be practiced along with number papers.

Motor: Outside Play
