## WHAT WE ARE LEARNING

Language Arts: We will play a game called beat the bell. This game will help us review our letters and sounds the letters make. Please continue to send in pictures that go with the letters that we are learning.

Vocabulary word for the week is :  
capable- having skill or power.

We will discuss different pets and learn a new song. The children will learn a game called "Simon Says", a following direction game. It helps to promote listening skills..

Concept: The children will count with small blocks and match the number to the corresponding card.

Science- We will work with various activities focusing on color changes.

Craft and Writing: Name printing papers will be practiced.

Readiness papers will reinforce Ee, Ff, circle, and square.

Motor: Outside Play
