Mrs. Karen's Classroom News

NOTES

Theme:
"Dinosaurs and Fall"
Introduce 9 and 10

Proverb: Do unto others as
you want others to do unto
you.

Story "Missy Manners"

Expressive Vocabulary: Fossil
A trace or impression or the
remains of a plant or animal of
a past age preserved in the
earth's crust.

Bit Cards: "Dinosaurs"

WHAT WE ARE LEARNING

We will continue to work on our reading stories. When your child brings a story home, he/she will be delighted to read the story to you.

Our class discussions will continue on dinosaurs. We are excited to learn about our extinct friends.

Motor: We will do the dinosaur Hokey pokey. This week the ball and wand will be introduced.

In the Concept area we will continue to work with estimation and numbers.

We are adding more Fall items to our science table so that the children can use them for a hands on science experience.

Craft and Writing: We will find bones in the sand like paleontologist. We will work on 9 and 10 papers.

Finally, we will let our imaginations soar by exploring a variety of dinosaur related items.

UPCOMING EVENTS
