Theme: Fall

Language Arts: Autumn Picture File and our Theme Table will provide the children with new experiences to reinforce our new *Fall* theme. We will be using vocabulary words such as *autumn*, *temperature* and *harvest*. The story "Mouse's First Fall" will add a nice touch to our discussions as well.

Concept: We will be examining the change in seasons more closely. Our new shelf jobs will focus on Fall. We will be learning to discriminate between items that are soft and rough.

Craft & Writing: The children will be very busy creating an acorn project, a fall tree and many more fun fall projects. They will also continue to work on name tracing and other readiness papers.

Motor: This week will be filled with outdoor play to take advantage of the beautiful weather. Students will also have the chance to play some Fall related games in class.
