Theme: All About Me

This week we will learn all about what makes each of us unique and special. If you have any books relating to our theme, please bring them in on Tuesday.

Don't forget our center will be closed in observance of Labor Day!

Have a nice long weekend!

Language Arts

Our focus this week will be Gg and Hh.

Readiness papers will concentrate on proper letter formation and phonetic sounds. Rhyming words will be introduced this week. A rhyming word is a word that sounds the same and is spelled the same at the end of the word. This is a fun lesson for the children. They love to rhyme!

Craft and Writing

The children will practice printing and tracing the letters Gg and Hh when working on phonics papers. To reinforce our theme, the children will make an "All About Me" Booklet.

Math, Science & Social Studies

The children will review the numbers 1-20 by playing bingo. During Science time, the children will learn that there are three types of fingerprints; the Loop, the Arch and the Whorl. With the use of magnifying glasses, the children will determine in which group their fingerprint fits. We will talk about our names and how they make us unique and special during Social Studies time.
