## Language Arts & Phonics

Our focus this week is on the letters Mm/Nn and their phonetic sounds. The children will work on phonics printing papers for the letter Mm/Nn and practice sorting pictures that start with our new letters. Also, we will review rhyming words by matching words and pictures together and by playing sight bingo.

## Math & Science

In math, the children will review patterns, play shape memory and color word bingo. In Science, the children will learn about apples. They will taste different kinds of apples, do an apple experiment, talk about the similarities and differences of apples and graph our favorite colored apples.

## Craft & Writing

This week the children will print the letters Mm/Nn and work on phonics papers as well. For art this week, the children will make an Apple person.

## ACC PRE K INTRODUCTIONS
