Snugglies/Pets

This is a short week academically as we will be closed Monday, September 4 in observance of Labor Day.

We hope you enjoy your long weekend!

In our second week for *snugglies*, we will include *pets* in our discussions. If your child has a picture of their pet, please send it in to be shared with the class. Be sure to put your child's first and last name on the back of the picture.

Mrs. Cheryl Mrs. Vickie, Mrs. Joanie, Mrs. Amy and Mrs. Lauren

HAPPY BIRTHDAY!

Emma Melone 9/7

Language Arts: To enhance our theme, we will discuss dogs and puppies, and cats and kittens. We will also listen to several stories about our canine and feline friends. The game, "Simon Says" and the song "Wheels on the Bus" are great listening activities. "Twinkle, Twinkle Little Star" is a great way to enhance our fine motor development, and "Teddy Bear, Teddy Bear" enhance gross motor development.

Concept: We will review all of the concepts we have learned so far. Red/ blue, circle/ square and big/little have all been added to our jobs on our shelves. Items on our science table will discussed this week as well.

Craft & Writing: This week we will be creating some fun "snuggly" pets and review circle, square, red and blue as we make our creations.

Motor: Let's take a ride in the rocking boat this week! The children will be getting plenty of exercise outside this week with our new balls and will learn to use the balance beam as we play the following directions game.
