Language Arts: With the use of our puppets, we will listen to stories, finger plays and sing songs about Mother Nature's little friends such as caterpillars, bumble bees and spiders.

Concept: One to one correspondence will be enhanced through the use of bees and bee hives. We will practice our spooning jobs and play a creepy crawly matching game.

Craft & Writing: During our second week of creepy crawlies, we will marble paint a bee and make a lady bug. Coloring and play-doh will finish our week off.

Motor: Once again, we will practice walking along a zig-zag path. We will work on developing foot/eye coordination by walking up and down the stair-step with alternating feet. A color toss game will enhance eye/hand coordination plus help us review our colors.

Reminders and Upcoming Events

- Memorial Day – Monday, May 29 – center closed
- Last Day of School – Friday, June 2.
- Summer camp begins June 12. Have you signed up yet?
- Have you registered for the 2017-18? Space is limited, register today!!

HAPPY BIRTHDAY!

Jonathan Poremski 5/26

Theme

Creepy Crawlies

For a second week we will be investigating creepy crawly creatures.

As the teachers wrap up the end of the school year, the teachers will be conducting their last student evaluations. Report cards will be going home the last week of May.

Please make sure to send your child to school in gym shoes for outdoor play!

Have a super week!

Mrs. Catherine, Mrs. Vickie, Mrs. Joanie, Mrs. Taghrid and Miss Kristen
