Pets

**Introductions:** This is a short week academically as we will be closed on Monday, September 4 in observance of Labor Day. We hope everyone enjoys the long weekend!

To enhance our discussions about *pets*, your child may bring in a picture of their pet to share with the class. Please be sure to put your child's first and last name on the back of the picture.

Ms. Paula, Mrs. Karen, Mrs. Cathy, Mrs. Amanda and Mrs. Susan

### Introductions

**Letters:** *Ee, Ff*

**Numbers:** *3, 4*

**Shapes:** *circle, square*

**Vocabulary:**

*Befriend* - to become a friend to

**Language Arts:** Ee and Ff are next in line to board the alphabet train. Guess whose conducting the train? Yes, it's our friend Taffy Apple from our first reading story! "Guess the Picture" a group activity will encourage exciting conversations this week.

**Concept:** The rice table is introduced. This will provide a fun and unique tactile experience to our classroom routine. Our exploration of seeds continues as we compare the seeds of different foods.

**Motor:** Romping through the classrooms as our favorite pet will keep us busy with the use of the tunnel, balance beam and tumbling mat. As always, exercises and body movements will keep us in shape. The sign language for letters E and F will be added to our review.

**Craft and Writing:** We will continue to print letters A-D and introduce E and F. Our fine motor skills will be strengthened as we practice cutting play doh. Color word recognition will be reinforced through finger painting this week.
