 Working Animals

Introductions: Our discussion about animals continues this week with a focus on *working animals*. Working animals are animals which are trained to help us in specific ways.

Ms. Paula, Mrs. Cathy, Mrs. Karen, Mrs. Amanda and Mrs. Susan

Introductions
 Numbers: 5 & 6
 Story #2: "String Bean"
 Proverb: "Do Unto Others As You Would Have Them Do Unto You"

Language Arts: We have enjoyed our poems, songs and stories but now "pets" will be the backdrop for "working animals." Story #2 will be introduced this week. Don't forget to practice your story #1 words.

Concept: Compare and contrast activities will be conducted all week as we discuss the similarities and differences between 2 objects. One example of this will be to discuss how a working animal is the same or different as a pet at home.

Motor: A review of our action words *run, jump* and *hop* will keep us moving. Relay races will be a lot of fun outside this week too!

Craft and Writing: The children will be introduced to water color painting this week. In class we will continue developing fine motor skill using our pencils and scissors on our readiness papers.

Happy Birthday!
