

Junior Journal

Week 2: August 21-25, 2017

Theme: Manners

Language Arts:

We will focus on the letters Aa and Bb. We will work on not only recognizing these letters, but their phonetic sounds as well. The song *A is for Amos*, will help the children learn Aa and Bb, and the rest of the letters introduced through the year. The phonics game will be another great review. We'll focus our discussion on the importance of sharing and using our words.

Concept:

The children will be introduced to several letter jobs to help them learn the

letters Aa and Bb. These jobs include: alphabet buckets, the alphabet mystery box, and letter match. We'll also continue our daily calendar time, weather report, and shelf time. We will of course be using our best manners when doing our jobs!

Motor:

We'll continue the motor fun, both indoors and out. The children will enjoy the playground equipment, ride bikes, and bounce balls. Inside, the children will play a game of *Manners Hot Potato*. If you have the potato when the music stops, give an example of a

mannerly thing to do.

Craft and Writing:

The children will be working on several phonics papers for Aa and Bb. The children will see a variety of pictures that begin with each letter. Also, they will be coloring a picture of a bumble bee, in charge of our beehive of manners.
