

Junior Journal

Week 3: August 28-September 1, 2017

Theme: All About Me

Language Arts:

This week, the children will be introduced to our first fable, *The Boy Who Cried Wolf*. The children will also explore finger plays, songs, and *The Whispering Game*. The boys and girls will also participate in group discussions about how everyone is different, and how we are special in our own way.

Concept:

Throughout the week, we will continue to introduce various shelf jobs, which will help the children practice with the shapes circle and square. We will

also do shape patterning activities, and be introduced to a Montessori job called the cylinders. The children will also play the estimation game, and guess how many pencils are in Mrs. Jeanie's jar!

Motor:

The children will be introduced to the ball and wand. Each child will get a chance to practice their hand-eye coordination. The children will also enjoy the game Hot Potato, and a path activity with stairs.

Craft and Writing:

The children will be working on several readiness papers focusing on the shapes circle and square. Look for these papers to arrive home throughout the week. We will continue to practice our cutting skills, as well as the proper way to hold scissors.
