Weeks 4 and 5: September 4-15, 2017

Theme: Pets

Language Arts:

Over these two weeks, we'll be learning about pets; what is important to them, and how to take care of them. We would love for everyone to bring a picture of their pet to school. If you do not have a pet, you could bring in a picture of an animal you would like to have. We'll also enjoy the following poem:

Love Your Pets

*Love your pets, love your
pets*

Love them everyday

*Give them food and water
too*

Then let them run and play

Concept:

Your little veterinarian will learn about the animal hospital. These weeks will include discussions on mommy and baby pets. I will also introduce the concept of weight. The children will be learning the difference between what is heavy and what is light. We will conclude these weeks with a few rounds of *Can you tell me?* During this game, I will show the children 5 objects, then have them close their eyes while I take something away. They will then open their eyes, and get a chance to tell me what I took away.

Motor:

We will be acting like pets, as we hop like bunnies, bark like dogs, and swim like fish, as we act out several of our favorite pets.

Craft and Writing:

Look for papers introducing the letters Cc and Dd, as well as many pet projects to be decorating our walls, and coming in to your homes. In addition, we will also practice tracing and cutting.

Happy Birthday!!!

Ava and Eli Ramos 9/8
