Language Arts:

The children will be enjoying several finger plays over these 2 weeks. These will include: *Dancing Teddy Bears* and *Did You Ever See a Snuggly?* We'll also enjoy the books *Corduroy* and *How Much is that Doggy in the Window?* The children will get to use the flannel board as they distinguish between *snugglies* and *non-snugglies*, and between our two new shapes circle and square.

***Please send your child's favorite snuggly stuffed animal to school with them on Tuesday and Wednesday. Please have**

their snuggly labeled with their name.

Concept:

We'll continue our daily calendar, weather, and job time. The shapes circle and square will be introduced, and added to all shelf jobs. In science, the children will get to collect material from our playground, including: leaves, sticks, and grass, and study them in our science bin. In addition, we will also introduce the terms *big* and *little* as we develop our sorting skills.

Motor:

The children will be playing the *Follow the Directions*

Game, where they will have to do the actions shown by their teachers! We'll also enjoy *block bowling* indoors, and have time outside as well!

Craft and Writing:

We will use a variety of materials to create our artwork. We will finger painting pattern papers, and using paper to mosaic circles and squares. In addition, we will dot-paint pictures of snugglies.

Happy Birthday!!!
