

Bobbie Noonan's Child Care

Junior Newsletter
April 24 - 28

Language Arts - Our topic will be Earth Day. We will talk about pollution on land, in the water and in the air. We will talk about ways to keep our Earth clean by recycling, reducing and reusing our trash.

Here is a cute song to help children pitch in keeping our Earth clean.

Litter is Garbage (sung to wheels on the bus)

Litter is garbage that wasn't put away,
wasn't put away, wasn't put away.
Litter is garbage that wasn't put away,
in the garbage can.

I put my garbage in the garbage can,
in the garbage can, in the garbage can.
I put my garbage in the garbage can,
I'm not a litter bug.

Motor - We will be doing our ball and wand activity, follow directions exercises and we will go outside as much as possible, weather permitting.

Art and Writing –Review papers, Earth Day Project

Concept - There will be a discussion regarding Earth Day and how important it is to keep the earth clean and why the earth needs trees and flowers. Theme related jobs will be added to the shelves in addition to our two new shapes star and pentagon.

We will talk about the temperature, the weather, the growth of leaves and flowers.

We will explore with our tactile bag, sand and water tables.

We will compare and contrast a garden glove and a mitten.

Just a reminder: For the safety of ALL children, please do not send your child to school in sandals, clogs or open toe shoes. Tennis/gym shoes are the best and the safest for outdoor play.
