

Kindergarten Knowledge

Week 3: August 28th-September 1st 2017

Theme: Neighborhoods

Language Arts:

The letter Ee and Ff will be our focus letters for the week. Be on the look out for the Bold Beginning stories as they come home. Four new ones will be introduced. The children will be introduced to the Willie the Wisher book. This contains chapter stories of a reoccurring fictional character and his family. The stories encourage the children to

draw their own conclusions to each story.

Math:

The numbers and number words for 5 and 6 will be introduced in our math activities. We are enjoying counting how many days we have been in school by adding the number to our number line and a straw in the ones place value. On Monday August 28th, our 11th day of school we will take the ten ones out bundle them into a group of ten and place them in the tens place value and place a single straw in the ones place value.

Art:

Our scissors skills will be put to good use as we cut and glue as well as finger painting. The neighborhood theme will be enforced with books and drawings of our neighborhoods.
