

Bobbie Noonan's Child Care  
Palos Hills  
Nursery News

**Theme:** Pets

Week of 9/4

**Manners:** Say "Please and Thank you"

Class Mascot: Ella B. & Judy A.

*Notes to Parents:*

*Please bring in a picture of your pet to share with the class. If you do not have a pet a picture of what your pet would be if you had one will be great!*

**Happy Birthday to Daniel 9/5 and Giabella 9/8!**

**Concept:** Can you believe we have been in school for almost a month already? The children have adapted to the routine of class time and love learning new things! We will introduce an activity matching pets to their homes and blocks to the correct color. We will also introduce an activity focusing on big and little.

**Language Arts:** We are going to have another snuggly week! This week we will learn the difference between snugglies and pets. Hopefully we will learn how to help care for our pets at home. We will learn a new flannel board story called "A Fish Bowl" and a finger play about a kitty.

**Craft & Writing:** This week in Ms. Tammy's class we are going to visit the wonderful world of pets. We will glue cotton balls on a bunny, color a dog, paint a cat, and have fun with shaving cream. We will also be working on saying, "Please and Thank You." What a busy week in craft and writing!

**Motor:** In motor this week we will learn a new game called "Rocking the Boat."

**Look for your child's name on our newsletter to see if your child gets to take home our class mascot at the end of each week.**
