Theme:
Farm

Introductions:
Review

Language:

We will talk about the farm for two weeks! Please help us with our theme by bringing in farm books, toys, pictures, etc.

The children will learn about the animals that live on a farm, machines that are used and what is grown in the fields.

We will review all concepts that have been introduced this school year.

Craft & Writing:

Over the next two weeks the children will be working on papers and art projects that will reinforce our theme of farm. We will also work on papers that reinforce beginning sounds, rhyming and letter sounds. Listening skills will be used while we work on what's missing papers and what doesn't belong papers.

Concept:

The children will be working on a compare and contrast activity with animals on the farm and food that grows on the farm. They will continue to work on shelf jobs that will reinforce our theme and all of the concepts that have been introduced this school year.

Motor:

The children will be working on the balance beam by walking sideways. The tumbling mat and a following the path activity will be done and if the weather permits we will be going outside.
