

# The PreK Weekly

Mrs. Jackie & Mrs. Peggy

Week 6 September 18, 2017

## Week 6

We are so excited to have Dinosaurs as our theme for the next two weeks. We will do dinosaur stomping; as we stomp our dinosaur's feet through play dough to trace letters G and H and numbers 7 and 8. The words extinct and rapid will be part of our expressive vocabulary this week. Talk with an empty mouth and eat with your spoon or fork are manners we will discuss. When we have snack your child will ask, "May I be excused?" when he/she is finished. They are doing a great job using manners at snack time! We hear a lot of please and thank you!

## REMINDERS

Student pictures will be taken on **Wednesday, October 4<sup>th</sup>**.

There will be NO School on Monday, **October 9<sup>th</sup>** Columbus Day, teachers will be attending an all-day workshop.

## Class Mascots

Our class mascots are Biscuit and Clifford. Every Friday a child will take home their class mascot for the weekend. Each mascot has a journal to record all the fun they had with your child over the weekend. The mascots are due back on the first day your child attends after the weekend. We hope your child enjoys reading and spending time with them.

## This Week's Focus "Dinosaurs"

**Language Arts-** \* The letters Gg and Hh will be introduced along with their phonetic sounds and sign language. If your child has dinosaurs, fossils, or any pictures that fit the theme, please let him/her bring them in for our table display. We will also sing some dinosaur songs.

**Motor-** \* Outdoor play and Dinosaur games

**Craft and Writing-** \* We will work on number papers for 7 and 8. Our coloring papers are sure to include a dinosaur or two! We will work on a fall craft project with the items returned from their Autumn Scavenger Hunt!

**Concepts-** \* This week we will introduce the numbers 7 and 8. In math, estimation of different objects will be introduced. We will also be graphing our favorite dinosaurs. In class we will be making a giant dinosaur skeleton out of paper towel/toilet paper rolls. I wonder which dinosaur we can make! We will talk about T-Rex teeth and hunt for dinosaur teeth.

We will discuss the four seasons and Fall!
