Snugglies

Language Arts:

Let's learn all about snugglies! Do you have a favorite stuffed animal? Maybe it's a teddy bear, baby doll, or even a special blanket! As we explore this theme, our class will learn songs about teddy bears and our other special pals. Our featured flannel board stories are "Five

Little Snugglies" and "Did you Ever See a Snugglie?"

Concept

Our class will explore a few fun shapes activities with circle and square while using our job shelves.

Craft and Writing:

Our little snugglies are going to create a special Pluto craft to be displayed on our art wall. Be sure to

check it out! We will also use collage materials to decorate circles and squares this week.

Motor:

Teddy Bear, Teddy Bear touch the ground! Can you bend and touch your toes? We will play a fun movement game.
