## Language Arts:

Welcome to the Young Nursery room. Throughout the next two weeks, our class will be introduced to the bell and we will learn what to do when we hear it. We will also learn about the colors red and blue. We will enjoy learning the finger plays "Two Little Blackbirds" and "Open, Shut Them".

## Craft and Writing:

We are going to have fun and get messy as we explore finger painting with the colors red and blue. Our busy hands will also collage the bell this week.

## Concept:

Our class will be introduced to the calendar. We will learn fun songs about the days of the week and months of the year. We will also discuss the weather and use the job shelves throughout the week.

## Motor:

Let's play outside and explore the playground! We will discuss playground safety and learn how to safely explore the equipment. We will learn about body parts with a fun game of Simon Says. Get ready to move around and have fun!

## Introductions:

- The Bell
- Red & Blue

## Introducing:

I'm Ms. Katrina and I have been working for Bobbie Noonan's since 2010. I have my Associates degree in Early Childhood Education and I am eager to pursue a Bachelors degree. I am looking forward to a magical and adventurous school year with all of you!

## Notes to Parents:

- When dropping your child off in the morning please escort them to the teacher in charge of your child's class. Sometimes we try to get outside before classes start and this will ensure your child's safety. Thank you.
- Please remember to wash your child's hands when arriving at school.
- Does your child have a complete set of extra clothes? This is very important because accidents do happen!
- Don't forget to bring in pictures for our birthday board.
- Just a reminder, School closed on Monday, September 5th in observance of Labor Day. Full tuition is due.

During the first two weeks our little friends will get acquainted with our classroom and get to know one another.

Have a great couple of weeks! Ms. Katrina
