Concept

In Concept class on Monday tulips will be used during a color review activity, a "Number Canister" counting activity, and during a *Big & Small* size match-up. Tuesday colors will be practiced during a "Bear Cave" activity, a bear shape review activity will be played, and the children will play hide-&-seek with Mr. Bear! Then on Wednesday a spring pipe cleaner fine motor activity will practiced, a carrot shape

activity will be reviewed, and a Mr. Bunny cotton ball counting game will be played. The children will go on an Easter egg "Shape Hunt" on Thursday, afterwards Easter egg colors and patterns will be sorted. And on Friday students will "Shift for Shapes" in the *Sand Table*, have a splash during a rubber ducky *Water Table* number activity, and make spring shapes out of playdough!
