Theme: Fall I and II

Language Arts:

All the leaves are falling down, falling down, falling down, all the leaves are falling down, it is autumn! Our class will learn many exciting finger plays and songs about the fall season.

Concept:

Help me count the autumn leaves as we pick them up and put them in the basket. Our class will also be introduced to the colors yellow and green on our job shelves.

Craft and Writing:

Let's learn about yellow and green as we finger-paint using these colors. Our little mouseketeer's will create a fall craft to be displayed on our art wall.

Motor:

Can you bend and stretch like a scarecrow? Let's wiggle around and pretend to scare the

crows away. We will also explore the rocking boat and crawl through the tunnel as we search for acorns.

I like to make a pile of leaves,
And jump and tumble around.
