INTRODUCTIONS:

Story #1 & Fable #2

MS. INGRID – LANGUAGE

This week in language we talked about fall. We talked about the different colors of the leaves, the different food that we eat during fall time. We played a shape game, sang our ABC's. We did a fall pumpkin activity and ended the week with free choice.

MRS. BRIDGET – CONCEPT

This week we reviewed the numbers 3 & 4. We talked about how fall is different than summer and what kinds of clothes we should wear during fall. We also worked on number recognition. We had lots of fun with apples. On Tuesday, we talked about what we can put on apples to keep them from turning brown. On Wednesday, we tasted 5 different kinds of apples. On Thursday, we made homemade applesauce. The kids really enjoyed making it and eating it for snack. Check your child's file for the recipe that we used.

MS. INGRID – CRAFT/WRITING

Monday - Curve Cut & Sunflower Craft
Tuesday - Trace & Paint Fall Leaves
Wednesday - Bare Tree Fall Craft
Thursday - Curve Cut & Pumpkin Craft
Friday - Free Art & Scissor Practice

We are having a lot of fun in craft/writing. We are working on the correct way to hold a pencil. We are also working on holding scissors the correct way.
