Language Arts

Ready, set, blast off! Let's reach for the stars as we explore new stories and songs that teach us about outer space. Our featured songs are "Twinkle, Twinkle Little Star", and "Five Little Astronauts".

Craft and writing

Our class will create an alien craft as well as using other mediums to decorate coloring pages with characters from the movie Home.

Concept

Together let's count the stars in the sky! We will also explore sensory bins this week.

A Peek at Our Week
