

Junior Newsletter

Theme: Nursery Rhymes

For the next two weeks, we will be talk about different Nursery rhymes. We will also learn some new songs to go with our theme.

Concepts: We will be introducing granulated cylinders, bottles, and lids. Also, we will start our number line using our before, after, concepts, less and more. It will be exciting for the kids to compare, contrast a plate and spoon. Finally, we will estimate count and estimate distance. How many steps?

Language Arts: We will be singing and using finger play to help us learn the fun nursery rhymes. Also we will be using our flannel board with some nursery rhymes. Some examples of a few are, Hickory Dickory dock, Humpty Dumpty and Little Miss Muffet. We will also enjoy reading different books.

Art and Writing: We will be coloring and painting our favorite nursery rhymes. Also, we will coloring the letters C & D with numbers 1,2,3, and 4. Mrs. T class will be water coloring an Alligator. While Mrs. Jacqueline class will be making a spider as a craft.
