

Here is a list of word wall words to practice at home. Each week I will send home a list of 4-5 words for you to practice with your child daily. We will also practice the words frequently in class and add them to our word wall displayed in our classroom. The boys and girls will use our word wall daily to review and learn our new words. This will help your young reader become more comfortable and confident while developing reading skills!

Thank You!

1. A
2. and
3. at
4. big
5. blue
