

Bobbie Noonan's Update letter

Our First Week Of School 8/14—8/18

News from: Mrs. Karen

I am really excited about having your child in my class.

We will be learning a lot of new and exciting things this year and of course having a lot of fun doing so.

My goal is to prepare your child for Kindergarten by having fun and learning new exciting things.

Week 1 ... Introduce Aa and Bb, 1 and 2, all colors.

Unit Theme: Lets Get Acquainted

The children will play a name game learning all of their new friends in class.

What goes on in class?

Concept area: Rules will be introduced and materials will be worked on.

The children are encouraged to work independently. Numbers, shapes, colors, and science discovery is part of this area.

Language Arts: We will work on letters, phonics, vocabulary words, stories, bits, fables, and oral language by playing fun games to help reinforce these skills. Reading stories are from the Bold Beginning series developed by Mrs. Noonan.

Gross Motor: Many fun games and motor activities and outdoor play will help promote our gross motor skills.

Music: Singing, playing instruments, marching and preparing for music programs are part of the school year. Mrs. Michelle will work closely with me in this area.

Craft and Writing: Upper and lower case letters will be reinforced and many crafts will be worked on through out the year.
