Language Arts:

"Humpty Dumpty sat on a wall. Humpty Dumpty had a great fall". Let's fall back into some fun nursery rhymes. We will listen to flannel board stories about Jack and Jill, Three Blind Mice, Baa Baa Black Sheep and many more. The students will get to act out Miss Muffet and the spider with special spider puppets. So let's move and groove as we sing and act out our favorite nursery rhymes.

Motor:

Jack be nimble, Jack be quick, Jack jumped over the candle stick! The children will take turns being Jack and jumping over the candlestick! The class will continue to play outside and work on hand eye coordination, target practice,

and balance!

Concept

Mother Goose dropped some of her nursery rhyme friends in our room. The Three little kittens lost their mittens and don't know where to find them. Our juniors will find them and help match their mittens. We will be ordering Jack's candlesticks by seriation- small, medium, and large. Mary, Mary, Quite Contrary's flowers will introduce seriation of length: short, medium, and long! Finally, Hey Diddle, Diddle's cow will help us review positional words.

Craft and Writing:

The kids will continue working on their fine motor skills as they practice with more cutting lines. They will put together a Humpty Dumpty puzzle art project. So look out as we fall off the wall with Humpty Dumpty into the fall leaves.

• **Introductions:**

Letters: Cc & Dd

Words: Run, run.

Manners: # 3- Say please & #4 Say thank you

Congratulations to
Amy A. and Billy L.
who both turned 3!
