

Kindergarten

September 18-22 Week 6 Topic: Johnny Applesauce

Language Arts

Who is Johnny Applesauce? The Kindergarten class will learn all about him when we celebrate his special day on Friday, September 22nd. As an added treat we will make homemade applesauce.

This week Ms. Mistina will introduce a Bingo game featuring many of our word wall words. As always, we will be playing the "Think of a Word" game. This is a fun game that can be played anywhere at anytime. All you have to do is ask your child, "Think of a word that begins with the letter J, etc." They may even want to switch roles and have a turn being the "teacher."

Concept

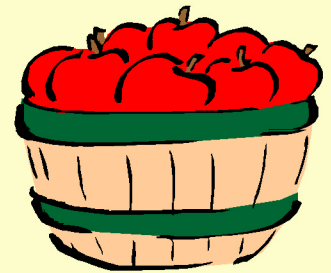

WELCOME FALL!! We have been patiently awaiting the arrival of Fall and it is finally here on 9/22. I will be taking the class outside to observe the changes in seasons first-hand. Pyramid will be added to our geometric shapes.

Ms. Mistina is currently in the process of evaluating all of her students.

Important Dates
