

# Kindergarten News

**Week 11**

**Halloween**

**October 23-27**

## **Weekly Update**

**Vocabulary: Kaleidoscope: anything that constantly changes in pattern**

**Keel: balanced; steady**

**Word Wall Words:**

**all, fall, how, now, six**

## **Language Arts:**

The children have been learning how to decode unknown words using phonetic awareness. Now is the time to practice reading words with "Super E" or silent e. Super E's job is to make the beginning vowel of a word the long sound of the vowel. No superhero story is complete without the "Bad Guy". The bad guy's job is to make the beginning vowel of a word say its name. The children have caught on so quickly so we will be reviewing our new skills by decoding word wall words.

Super E words - made, ate, cute

Bad Guy words - boat, goat, meet

\*\*\*Don't forget our 50's party on Tuesday!

Concept: Every day we count from 1 to 100 and each day of school we mark off a day on our number chart. We are so excited that we are almost halfway to 100! We continue to work on both place value and addition, with continued practice the children should do great. We are moving along at a steady pace and I see great improvement.

### Picture Days

November 7th and 8th

Please turn your picture envelope in PRIOR to picture day.

### Halloween Celebrations

Our Halloween party will be on Tuesday, October 31st. There are 8 students in the class if you would like to send trinkets or party bags. Please keep our food policy in mind when sending treats.

### Attention

We are beginning to plan for our Annual Christmas Musical which will be held on Saturday, December 9th at Evergreen Park High School. More info to follow...
