

Bobbie Noonan's Child Care

Fort Myers

October Newsletter, 2017

Dear Parents,

It seems that slowly but surely everything is returning to normal post Hurricane Irma. Your little ones are back into a routine and every day our community seems a little less chaotic. We are working diligently to repair our deck, fence and sunshades. We will repair the north side first if at all possible so that we have playground available. Thank you to all the parents who have provided me with numbers and contacts, I can't thank you enough! I personally feel so fortunate that my home and Bobbie Noonan's only suffered minimal damage. I am also so proud that Bobbie Noonan's did not charge our families tuition for the week we were closed, and also compensated all of our employees in Florida. I received many phone calls from parents and other centers that did not give their families or employees the same consideration. I also know so many families that have lost everything; we will be collecting anything and everything to help our neighbors in Immokalee. Price's mom in Pre-k will be delivering to them every week, diapers, toys, clothes, food anything you can give will be appreciated, please feel free to drop off here. Another change due to Hurricane Irma is that this year we will not be holding our annual Fall Festival instead we invite you to "Santa's Workshop" Saturday December 9th; 9:00 a.m. to 11:00 a.m. Santa and Mrs. Claus will be here with photo opportunities, a special Brunch will be served, a wrapping station, Christmas crafts and gifts, and our Pre-k children will perform for you. So please save the date.

On an exciting note we received our five year accreditation from Apple! A special thanks to all of the staff that go over and above to create a great environment for the children. We are very proud of this accomplishment!
