News from: Mrs. Elaine, Mrs. Taghrid and Ms. Jacqueline

Introduce: Mm, Nn, brown, and purple

Concept- All of our shelf jobs will be updated with new numbers and letters. During circle time we will discuss winter, do some fun matching games and review our positional words. We will also use our tactile box. In science time we will be weighing different objects and try to guess which one weighs more.

Language Arts- We will introduce two new manners : " Say I'm sorry" and " Do not cut into line." We will talk about different places in our neighborhood and who works there and what they do. Also, we will have different flannelboard stories and fun fingerplays related to our theme.

Crafts and Writing- We will be working on purple, brown and pictures of different careers. With Valentines day approaching , the children will be bringing home some pretty Valentine's pictures.

Motor- Ball and wand, follow directions game and stairsteps.
