

Junior Journal

Theme: Healthy Kids

Language Arts: We will play an Echo Game and discuss how a healthy attitude keeps us safe and how doctors and nurses help to keep us healthy.

Concept: Our letters M and N will be added to our shelf jobs. Our tactile bag will be filled with healthy items that will add to our discussions about nutrition and healthy kids. We will also examine a balanced plate of food, and talk about people that keep us healthy.

Craft & Writing: To enhance our Healthy *Foods* theme we will create a happy tooth and sad tooth. This will help to remind us to keep our teeth healthy! We will continue to practice printing our name.

Motor: Kicking a ball at a target will help get our gross motor skills develop. We will have fun rocking in the row boat with a friend.
