

January 4, 2018

Dear Parents,

Now is the time of year parents are faced with the dilemma of where to send their child for Kindergarten. Because of the importance of social and academic growth, we realize this can be a very difficult decision to make. In response to the numerous inquiries about our Kindergarten program we will be hosting a one-hour Open House on Tuesday, January 16th. Our Kindergarten teacher Ms. Mistina will answer any questions you might have and will go over the curriculum, introduce you to her style of teaching and share with you her expectations of your future Kindergartener.

We look forward to seeing you and your child at our Kindergarten Open House.

Open House is Tuesday, January 16th, 2018 at 5:00p.m.
