**Language Arts:** This week we will enjoy several finger plays, flannel board stories, and books that reinforce our theme of *Careers*. Bakers, Carpenters and Garbage Collectors are just a few careers we will discuss through the use of our classroom puppets. Our new listening activity will have us "stomping our feet."

**Concept:** This week, as we introduce pink and white, we will add these colors to our shelf activities. We will match winter and career pictures, and review the concept of big and little.

**Craft & Writing:** This week, we will be creating crafts using our new colors. We will also be coloring and painting pictures that illustrate different careers.

**Motor:** We will use our riding toys to get through an obstacle course and crawl through the tunnel. Ball playing and balancing on the balance beam will be a fun addition to our class this week.

## Reminder

## Theme

### Careers

This week we will be discussing the different occupations we might wish to pursue when we are adults. During the next few weeks, we would like to invite our parents to come discuss their occupations with our students. If you are interested in spending a morning with us talking about what you do for a living, please contact our office. Please plan to spend about 1 to 2 hours in all four areas.

Have a great week!
