Where We Live

Let's begin this fabulous month with getting to know *Where We Live* **ILLINOIS!**
Our discussions will include many interesting facts about our great state.
Introductions this week include the shapes **heart** and **hexagon**, and the manners
Take Turns and **Show Good Sportsmanship**
Have a great week!
Ms. Paula, Mrs. Karen, Mrs. Amanda, Mrs. Cathy and Mrs. Susan

Concept:

Let's get the globe out as we discuss facts about the state of Illinois. Did you know that Illinois even has a state fossil? Stay tuned to find out what it is. In math, we are reviewing the *Golden Beads*, the tens and hundreds place value.

Language Arts:

This week's topic will spark the concept of...Before and After. This should help the children with time and routines. Many interesting facts will be discussed concerning the 21st state of the United States known as Illinois.

Craft and Writing:

Let's review all of our letters. Our new shapes, **heart** and **hexagon** will grace our papers. We will work on a booklet that will help us learn about Illinois.

Motor:

Following a path through Illinois will help us discover all the great places in Illinois. The follow directions game will emphasize our new shapes *heart* and *hexagon*, and action words *come* and *hop*.

Parents: Please help your child decorate a cereal box for them to use as they collect Valentines from their classmates. 

 **STUDENT OF THE WEEK** 
Makenzie Frantz
