you register by February
15th.
Don't miss out!!

Language Arts - Ms. Jen has started to discuss "word families" with the children, beginning with the "at" and "ad" families. Our theme will continue with Chef Combo dropping in to review healthy eating habits. Class discussion will be about the dentist this week. We will review eating healthy foods with our Chef Combo puppet.

Motor - During Motor time we will review body parts using different games. We will review our letters, numbers, shapes and colors while throwing bean bags at our review chart. We will also add stepping blocks to our obstacle course.

Craft and Writing - Mrs. Melissa will use printing papers to introduce the letters Qq and Rr. A Dentist paper will be used to support our theme. The children are doing a great job writing their names on their papers. If you are practicing at home, please reinforce that only the first letter is capital, the rest are lowercase.

Concept - This week we will play some great games of number bingo and estimating various objects. To go with our theme, we will be talking about the importance of brushing our teeth. Mrs. Ann will do an experiment using eggs to demonstrate how different foods can stain our teeth.

What's New

Bits of Intelligence: Insects

Introductions: Qq and Rr

Trapezoid

Fable: The Dog and His Reflection

Moral: We should be happy with what we have.
