

Nursery News

Week 25 & 26 January 29th- February 2nd & February 5th-9th, 2018

Theme: Healthy Kids

Language Arts:

As a class, we will be discussing the importance of healthy eating, staying clean, getting the right amount of sleep, and exercising our growing bodies. Do you like fruits and vegetables? Our class will explore fun songs to help us learn about making healthy choices at home and at school. We will also look at picture files of healthy foods and many other healthy habits. We will read all sorts of books to learn about our exciting theme.

Motor:

"Here's my head, here's my nose. See my hands, touch my toes. Reach up with my fingers, high as they can go. Wave them back to and fro." It is very important to exercise in order to keep our bodies healthy. The children will stretch and dance to some favorite songs on the tumbling mat. The children will also enjoy a fun obstacle course using stairs, the balance beam and the trampoline!

Concept

"Brush, brush, brush your teeth, brush your teeth right now. Up and down, round and round, I like to

brush my teeth." During the next two weeks we will be discussing different ways that we can keep our bodies healthy. We will talk about the importance of making sure that we brush our teeth everyday, at least twice a day. Another fun activity will be bathing babies in the water table. This will help us remember the importance of staying clean.

Craft and Writing:

Fruit salad is yummy! Our little artists will create special fruit and vegetable crafts to take home. We will also be exploring with other mediums throughout the two weeks.
