Language Arts: It is amazing to see how much the children have grown academically since the beginning of the year. They are doing a great job reading and writing. We will continue to work on blends, digraphs, and our printing.

Math: The boys and girls will continue to become familiar with our new topic of money and we will have fun working with our different coins.

Science: We will discuss Groundhog Day and the reason behind a shadow. We will work on an experiment using a “magic mixture” where we inflate a balloon without having to blow air into it.

Social Studies: The boys and girls will find out all about dinosaurs the next two weeks. We will learn about the different types of dinosaurs, what they eat, and why they are extinct.

Art: Look for some adorable groundhogs and other crafts that highlight our themes for the next few weeks to be hanging around our classroom!

NOTES TO PARENTS:

*Friday, February 2nd we will discuss Groundhog Day and talk about shadows.
