Author Study-Dr. Seuss

Language Arts: We will explore all about Dr. Seuss this week. We will learn about this great author, read his stories and complete some fun rhyming activities. The boys and girls will learn about Dr. Seuss by singing this catchy song.

(Sung to the tune of "Row, Row, Row Your Boat")

Read, read, read a book
We read all the time.
We all love books by Dr. Seuss.
We love the way they rhyme.
Read, read, read a book.
Read about the cat.
The naughty cat makes such a mess!
What do you think of that?
Read, read, read a book.
We know just the one:
Green Eggs and Ham
With Sam-I Am.
Reading is so much fun

Concept: Pets will be our focus this week and the boys and girls will learn what pets are and the important facts people should consider when looking to get a pet (size, cost, allergies, amount of care etc.) We will also discuss the term "tame" and explain that a tame animal would make the best pet. Students will also become familiar with different types of household pets and we will compare and contrast how dogs, cats, birds, etc. all require different care.

Art: We will be working on many fun art projects which focus on St. Patrick's Day and Spring.
