

Pre-K Press

Weeks 27 and 28: February 19- March 2, 2018

Theme: Transportation

Language Arts:

We will begin this week learning all about different types of transportation. We will discuss that transportation is what gets us from one place to another. The boys and girls will participate in finger plays, flannel boards, and read alouds about our theme. They will also play a fun transportation letter review game! We will also play a fun, new language game, called *What Would Happen If...* The children will take turns answering silly questions such as, *What would happen if a flower could talk?* It will be

a fun and busy week!

Concept:

We will begin using legos, blocks, and roadways in the water table to build our town for transportation! The children will be making stop signs for our town, by using our new shape the octagon. To enhance our number skills, we will also be playing *Which number is hidden?*

Motor:

Most days, we are still going outside, since we are having a very mild winter. It is chilly, so please dress

accordingly. Indoor motor will include the ball and wand, balance beam, and scooters.

Craft and Writing:

We will be including transportation stencils to our art shelf. Our papers will include our new theme and shape, the octagon.

Class Mascots:

Week 2/19- Enzo and Jeneen

Week 2/26-Jack and Logan
