Theme: Transportation

Language Arts: We will use our picture file in our discussions about the many modes of transportation. Our theme table will include various types of vehicles including cars and planes. *The Wheels on the Bus* and *Bumpin Up and Down in my Little Red Wagon* are a few songs that will enhance our transportation theme.

Concept: Which objects will roll down the ramp? We will use a car, ball, Lego, cylinder and a block. Combs will be a nice addition to our sand table. We hope our predictions are accurate as we participate in a *sink and float* activity.

Craft & Writing: Printing of our two new letters will keep us busy. We have many different projects planned for the week which include a train, rocket ship and hot air balloon. We will practice our name printing this week as well.

Motor: We will incorporate some stop and go activities to reinforce our transportation theme and learn about the rules we must observe.
