

Junior Journal

Theme:

A Trip to the Zoo

Language Arts: The *think link* activity enhances our discussions about which animals are found in the zoo. Did you know that Old McDonald had a Zoo? The children will enjoy singing about which animals lived in his zoo and play a riddle game where the children have to guess which animals are hiding.

Concept: This week, our classes will embark on a learning adventure to the zoo! Students will discuss and discover the traits, habitats, and names of all kinds of zoo animals. Our sand and water tables will provide us with opportunity for animal play, and we will hone our skills of perception using our tactile bag. What wild fun!!

Craft & Writing: Our cutting skills are improving! This week we will practice cutting a double curved line. A lion craft will come home this week.

Motor: We will practice our balancing skills on the balance beam and side stepper. We will also use the tumbling mat to perform some animal actions.

Don't Forget

- Have you registered for the 2018-19 school year? Hurry...there are a few openings left.
- St. Patrick's Day celebration- March 16.
- Spring Break-March 26-30

Happy Birthday

REMINDER

Parent Teacher conferences are held this Monday and Tuesday, February 19 & 20.

Our center is closed to students who attend the morning session on these days.

Let's take a trip to the Zoo!
The Zoo is a wonderful place to visit and this is the first week of our four week adventure.

Have a great week!
