THEME: Trip to the Zoo

INTRODUCTIONS: Qq and Rr

Bit Cards: Zoo Animals

During our second week of discussing zoo animals, we will focus on the animals that reside in mountainous areas.

LANGUAGE ARTS: New finger plays and songs related to zoo animals will be introduced this week. With the use of pictures and stuffed animals the children will be able to answer questions to our *Riddle* game. The children will fill in the blanks as they participate in a "listening activity" using Nursery Rhymes.

CONCEPT: We will learn some interesting facts about a variety of zoo animals, and work on building a zoo of our own. We will celebrate Dr. Seuss's birthday by reading some of his stories and doing some Dr. Seuss math.

CRAFT & WRITING: We will be marbling painting a zebra and our cutting skills will be enhanced as we practice cutting a double curved line. We will be using play doh to enhance our fine motor skills and create Dr. Seuss hats in honor of Dr. Seuss' birthday.

MOTOR: We will pretend that we are *Zoo Babies* this week to increase our motor skills. We will also utilize the rocking boat and tunnel for gross motor practice.
