Transportation

Dr. Seuss' birthday is Friday, March 2. Your child may bring in their favorite Dr. Seuss book to share with their classmates. Please make sure their book is labeled with their first and last name. Also, wear something red, white, and black.

Ms. Paula, Mrs. Amanda, Mrs. Cathy, Mrs. Karen, and Mrs. Susan

Language Arts: This week, the children will discuss the fact that some vehicles used for transportation, such as trains and pick-up trucks, are also working machines. As a language activity, the children will learn some interesting facts about their friends as they interview them.

Concept: Positional vocabulary is reviewed this week. Using a stuffed toy, a block, and a bowl, our understanding of the words *under*, *over* and *in* will be enhanced. The rice table will feature cars and trucks.

Craft and Writing: *Octagon* and *trapezoid* are introduced throughout our papers. Up, up and away we will go, in hot air balloons that we create. Dr. Seuss hats will be created in honor of his special day.

Motor: We will continue to practice finger spelling our names in sign language. The exercise mat will be used to practice our front rolls as winter is keeping us inside. Bowling is a great game for inside. Who can bowl a STRIKE?

REMINDERS & UPCOMING EVENTS
