**Theme: Dinosaurs
Weeks of 2/12 & 2/19**

Introducing: Heart and Star

Parents– If you would like to send some valentines or snack for our party on Wednesday, February 14, we will have 10 children.

Language Arts: Hello cave boys and girls! For the next 2 weeks we will be talking about dinosaurs. We will be learning a new dinosaur flannel board story called “We’re going on a Dinosaur Hunt,” also we will be learning a new song called “I’m a Tyrannosaurus!”

**I am a tyrannosaurus, big and strong
I gnash my teeth as I walk along
I can walk fast, I can walk slow
Sometimes I stand on one foot just so!**

Concept: We will look at pictures, name different dinosaurs, and introduce heart and star. We will learn a new concept: parts & wholes using a dinosaur puzzle. We’ll match dinosaur shapes together that are the same color. We will put dinosaurs in order from small to large and go on a fossil hunt in the water table.

Art: In art we will be working hard on patterned pictures of stars and hearts. We will make our own twinkling little star so we can sing to you at home. There will be lots of pictures of dinosaurs so you can add them to the art gallery on the fridge!

Motor: We’ll have so much fun stomping around on dinosaur footprints to the song We Are The Dinosaurs. We will knock down hearts and stars when we bowl. Our bodies will get moving doing the Dino Hokey Pokey.
