

# Pre-K NEWS

Have you registered for Summer Camp?

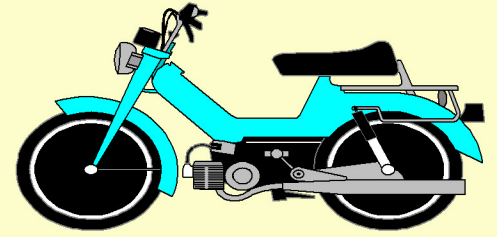

February 12-16

Week 27

Theme: Transportation/Valentine's Day

## Language Arts

The children in Ms. Jen's class will continue their discussion about transportation with the aide of stories, fingerplays and pictures. An oral language activity called "What's wrong with the picture?" always keeps the children guessing. Continued practice of our reading stories will carry on throughout the week.

Thank you to all who created hearts for our Facebook contest. Please don't forget to go to Bobbie Noonans Child Care Facebook page, like and share our photo with your friends and family.

## Concept

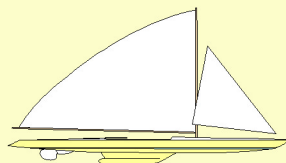

A science activity is planned that will require the children to form a hypothesis. They will experiment with several items, investigating which items sink and which float. We will also be using our tactile bag. You may bring an item from home to see if it will sink or float.

The children will continue to engage in activities dealing with traveling. To get in the traveling mood we will play transportation musical chairs. Our new shapes, as well as old, will be reviewed. Our path activity will include hula-hoops, balance bean, the ball and wand and the tunnel.

## Craft and Writing

The children will have a great time coloring and painting various review papers. We will enjoy many creative valentine games on our party days.

**Bits of Intelligence:** Mammals

**Vocabulary:**  
similar: alike, but not exactly the same

timid: easily frightened, fearful

**Fable:** Jupiter and the Monkey

**Moral:** Think before you speak.
