Theme- Spring, Easter and Review

## Expressive Vocabulary-

**elite-** choice or most carefully selected of the group

**foolish-** without good sense, an unwise act or action

**Fable-** The Hair and the Tortoise

**Review-** Letters: Ee and Ff/subtraction, telling time, money, measurement

**Author Study-** Spring and Easter stories

**Language Arts:** Over the next few weeks we will continue to work on our reading skills, vowels, blends, and diagraphs. We have been spotting words with blends and diagraphs in our classroom and in our guided reading groups. We will talk about contractions (two words joined by an apostrophe). Here are some fun Spring and Easter songs the class will enjoy!

**Math:** The next couple of weeks bring plenty of practice identifying and counting coins, telling time, addition and subtraction.

**Science:** As Spring is finally here we will be observing the changes we see and feel outside. We will be working on some fun activities and experiments with rainbow colors.

**Social Studies:** We will spend the next couple of weeks learning about different land forms. We will discuss where the different landforms are in the world.

**Art:** Look for many colorful spring crafts to be hanging in our classroom!
